RTC TRANSIT

RECONNECTING
VEGAS!

RTCSNV.COM

Dear Rider:

Welcome aboard and thank you for riding the Regional Transportation Commission of Southern Nevada's (RTC) transit system! We are grateful that you have allowed us to serve you and your transportation needs as our valley continues to grow and evolve.

It's been more than two years since the onset of the COVID-19 pandemic, and its impacts are so far-reaching that we continue to feel their influence each day.

In August 2021, thanks to federal stimulus funding, we were able to launch our largest geographic expansion of service to date, restoring service that was previously reduced in 2020 by expanding the service area, adding new routes, and implementing an all-new, on-demand transit service for those who lacked access to transit service. Unfortunately, due to the resurgence of new COVID-19 variants and the ongoing labor shortage, the RTC had to make several service adjustments to mitigate missed trips without eliminating routes.

On behalf of the RTC, I apologize and thank you for your patience while we continue working toward restoring our system to full service. I also want to thank you for sharing your feedback on our transit system. We know our service limitations affect your daily lives and routines. It is both our obligation and commitment to our community to ensure that all of our riders have access to equitable and efficient service.

As we move one step closer to full transit system service, we are restoring service on select routes and operating modified weekday schedules on all routes. In an effort to improve service quality and reliability, service updates include increased frequency, updated schedules, and other minor changes to get you to where you need to go. We ask for your continued patience and understanding and remind you that any delays in service are not the fault of your bus driver, who is working hard to cover extra shifts to try to provide you with reliable service.

While the RTC is not yet able to return to full service levels, our hope is that by implementing more service now, we can work to fully restore service as part of a future service change, as the workforce allows.

It may be a while before our community is back to a new normal, but one thing remains certain: serving the Southern Nevada community remains our highest priority. We will continue to evaluate how to provide you with the resources you need to safely get to work, school, appointments, and more. Thank you again for choosing the RTC to help keep you connected with Southern Nevada.

Sincerely,

A handwritten signature in cursive script that reads "M.J. Maynard".

What's New In This Guide

As RTC's transit contractors continue to recruit and retain operators, the RTC is restoring service on select routes that were reduced in February 2022.

While the RTC is not yet able to return to full service levels, all routes will now operate a Weekday schedule, beginning Sunday, Aug. 7, 2022. Weekday schedules will vary by route.

Restored routes were prioritized based on the severity of previous service reductions, challenges in staying on time, and overall ridership.

Compared to the Saturday schedules that RTC had been operating on Weekdays since February 2022, as of August 7, 2022:

- 8 routes will have increased frequency: 105, 110, 206, 208, 215, 217, BHX, & DVX. All Route 206 trips will serve all stops at this time (no blue/gold designation).
- 10 additional routes will have new schedules to improve timeliness & reliability: 104, 106, 108, 109, 113, 117, 119, 122, 203, & 214.
- Route 103 will have a new schedule to resume serving the Mobility Training Center during business hours.
- Routes 210, 212, & 221 will have miscellaneous minor schedule changes.

On all other routes that were previously Saturday schedules will now also be labeled as Weekday schedules.

There are no routing changes, only the scheduling changes described above. For all routes, **please refer to the Weekday schedules at rtcsnv.com.**

RTC hopes to fully restore service as part of a future service change, as workforce allows.

Algunas escuelas pueden ser elegibles para comprar sus pases a través de la aplicación rideRTC. Al abordar el vehículo, deben mostrar su identificación escolar.

Transit Frequency Table/Indice De Frecuencia

Use this table for an at-a-glance look at how often each route is scheduled to run. All frequencies listed are approximations. This table shows the most frequent portions of each route; specific stops along certain routes may have less service. Times of day between time periods listed (for example, 5:30 AM) are transition times, when frequencies will be in between those of the time periods shown. For more specific information, including actual arrival and departure times, see the individual route schedule pages.

Utilice esta tabla para obtener un vistazo de la frecuencia programada para cada ruta. Todas las frecuencias indicadas son aproximaciones. Esta tabla muestra las partes más frecuentes de cada ruta; algunas paradas específicas a lo largo de ciertas rutas pueden tener menos servicios. Los tiempos del día entre los horarios enlistados (por ejemplo, 5:30 AM) son horarios de transición, las frecuencias serán entre los horarios enlistados. Para obtener información más específica, incluidas las horas reales de llegada y de salida, consulte las páginas de los horarios de cada ruta individual.

F Frequent Service: A minimum of every **15** minutes or better during weekday daytime hours and every **20** minutes or better during evenings and weekends.

Servicio frecuente: Un mínimo de cada 15 minutos o más durante las horas diurnas los días de semana y cada 20 minutos o más los fines de semana o las noches.

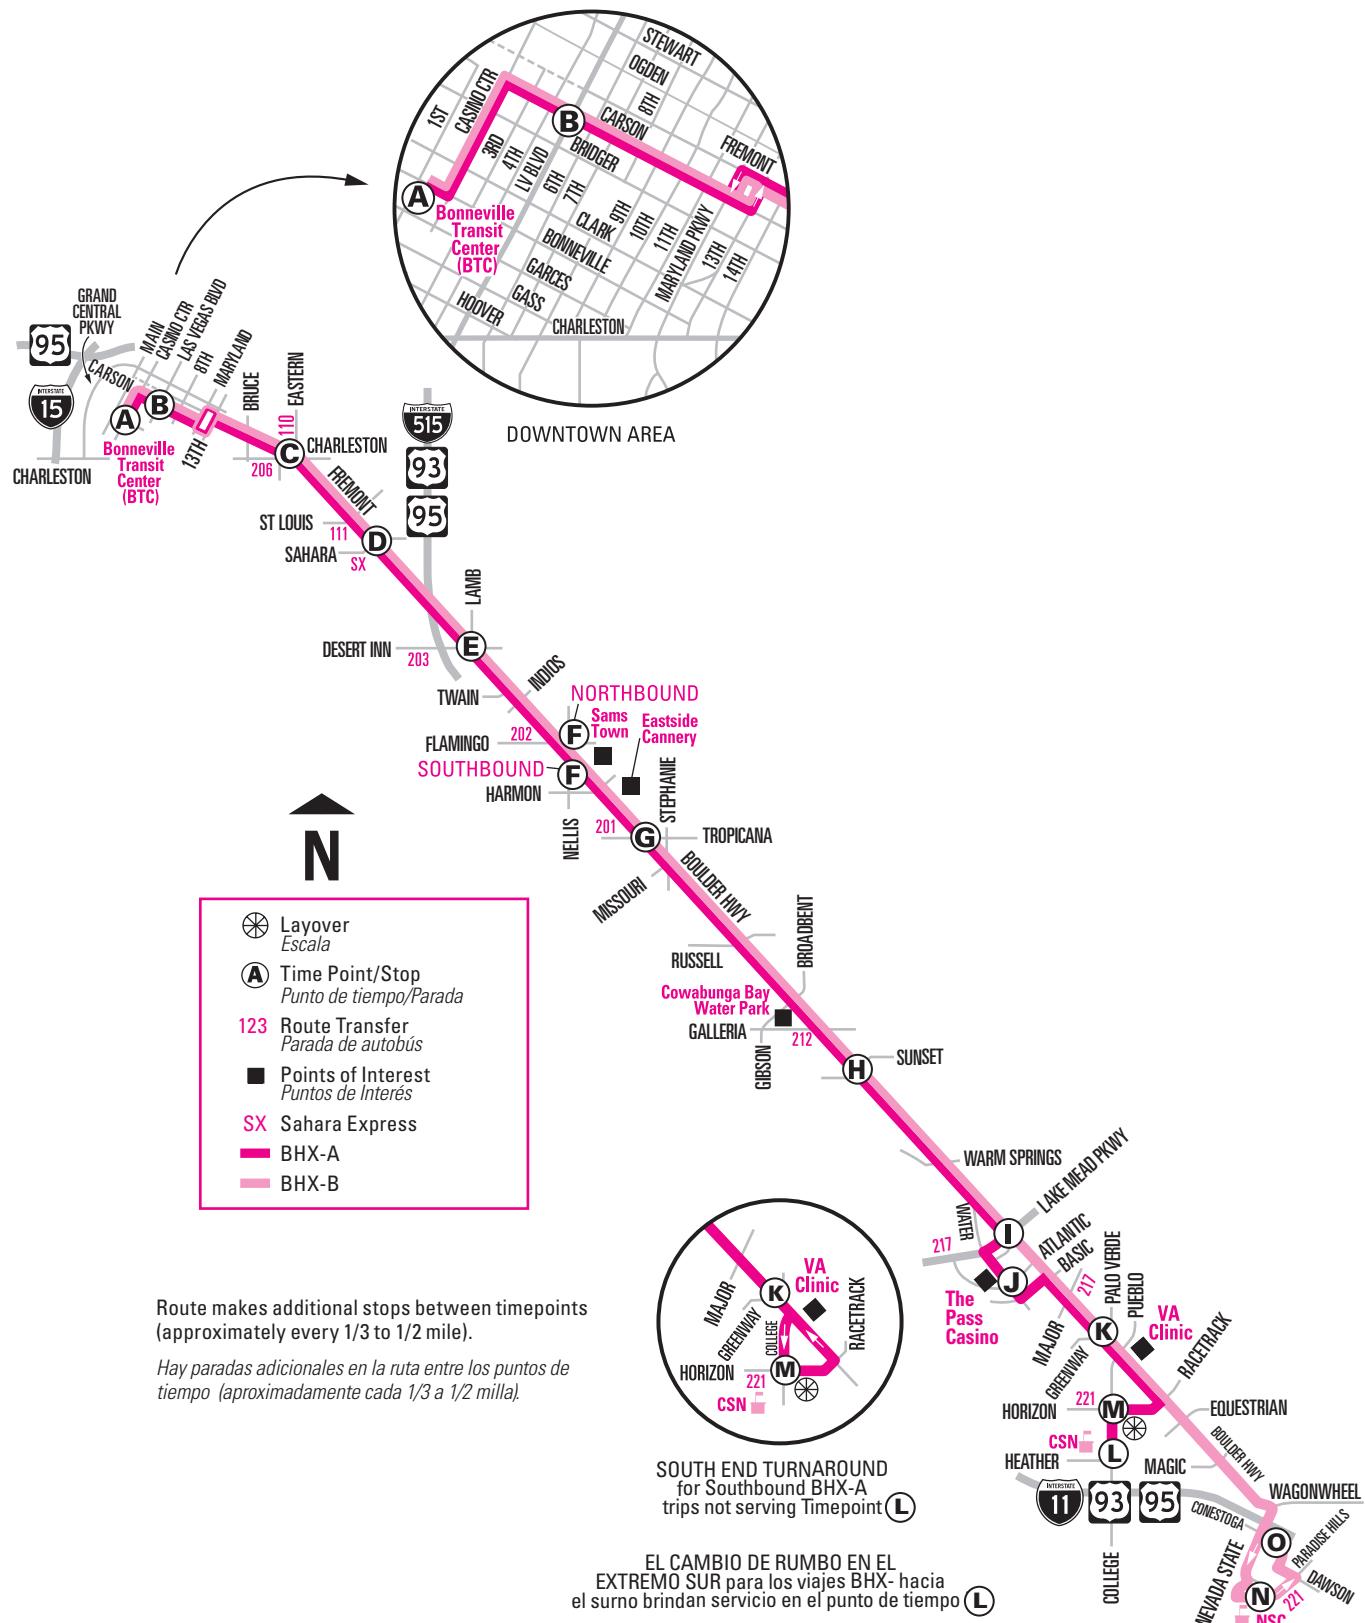

④ Indicates 24 hour route. Not every stop along all 24 hour routes have 24 hour service. **Indica una ruta de 24 horas. No todas las paradas en las rutas de 24 horas tienen servicio las 24 horas.**

BOLD represents frequencies of every 20 minutes or better. **EN NEGRITA** representa frecuencias cada 20 minutos o menos.

*Please note: The last trip of the night differs for each route and each direction. If traveling during the late evening hours on a non-24 hour route, please be sure to check the individual route schedule to ensure buses are still operating. **Tenga en cuenta:** El último viaje de la noche es diferente para cada ruta y cada dirección. En caso de viajar durante las horas de la noche tarde en una ruta que no sea de 24 horas, por favor, revise el horario de la ruta individual para asegurarse de que los autobuses estén en servicio.

* Route 111 operates as Route 111B southbound & Route 111A northbound during these times. La Ruta 111 funciona como la Ruta 111B hacia al sur y como la Ruta 111A hacia el norte en estos horarios.
